Wells	<i>San Petronio</i>	<i>Wormingford</i>
Westminster	-	-
York	-	-
-	-	Norwich
-	-	Warkworth

'-' means no named method is possible (cannot be pealed)

2nds place and 6ths place methods have defined bobs, ie make 4ths place. 4th place methods don't have defined bobs. Agree before ringing what a bob in a 4ths place method means.

Names in *italics* are either not in the “Regular 41” or a Johnny-come-lately abhorrence.
